Ken,

I have looked this over. Attached is a mark up of the narrative. There do seem to be a couple of passages that need to be updated based on current conditions.

On the application itself,

Part A.6 – Cathy’s phone number should be 804-273-2929

Part H.2 – the certification should be prepared for David A. Craymer’s signature (VP, Power Generation System Operations)

Thanks,
